WEST SUFFOLK HOSPITAL CHAPLAINCY NEEDS VOLUNTEERS

The West Suffolk Hospital Chaplaincy is currently looking for volunteers who are able to give around three hours a week.

We are looking for two types of volunteer:

1. Chapel welcomers

The hospital chapel is visited regularly by patients, staff and relatives and the full time chaplains are usually off on the wards or in meetings, so there is sometimes nobody to welcome them and speak to them. The role of the chapel welcomer is to be a friendly welcoming presence in the chapel to speak to and if appropriate pray with those who come in.

2. Ward visitors

Ward visitors are allocated a specific ward which is visited on the same day every week. This provides an invaluable regular link between the chaplaincy and the ward as the volunteer gets to know the staff and patients. The chaplains issue the volunteer with a list of patients to visit.

Full training is given to our volunteers with regular refresher sessions.

If you think you are able to offer your services to this valuable work then please call 01284 713771 or email info.chaplaincy@wsh.nhs.uk
